## **ISSA MEMBERSHIP ELECTS ALAN BERGER 2008-2009 PRESIDENT**

During its 46<sup>th</sup> Annual Convention held in San Jose del Cabo, Mexico, the membership of the International Slurry Surfacing Association (ISSA) elected Alan Berger, Valley Slurry Seal, West Sacramento, California, to the office of President for the 2008-2009 term.

Alan is the Vice President of Valley Slurry Seal and has been involved in the slurry & micro surfacing industry for 25 years. Valley Slurry Seal actively participates in ISSA, AGC, California Chip Seal Association, and California Slurry Seal Association and with the California Pavement Preservation Task Group. Alan has been involved in the ISSA Development Committee and on the Board of Directors for several years. Alan is the Past President of the California Slurry Seal Association, Past Chairperson for California Pavement Preservation Task Group for Microsurfacing/Slurry Seal. Alan graduated from Cal Poly State University in 1983 with a BS Degree in Construction Management.

Other 2007-2008 officers elected were:

Vice President – Andrew Crow, MeadWestvaco, Charleston Heights, South Carolina  
Secretary – Tim Harrawood, Vance Brothers, Inc., Conway, Arkansas  
Treasurer – Mike Buckingham, Strawser Inc., Columbus, Ohio  
Past President – Don Kaiden, Ballou Construction Inc., Salina, Kansas

A complete list of the ISSA 2008- 2009 Board of Directors and committee chairs is attached.

The International Slurry Surfacing Association is an international non-profit trade association comprised of slurry & micro surfacing, chip seal, and crack treatment contractors, equipment manufacturers, public officials, research personnel, consulting engineers and associated industry interests, working together to promote the increased and more efficient use of slurry, micro surfacing, chip seal and crack treatments in roadway pavements.
